

# 4th SPORT FISHING WORLD GAMES 2019

**CIPS**

Confédération Internationale de la Pêche Sportive

Association déclarée, Tribunal de Rome n.606/2008.

## EXECUTIVE SUMMARY

1. It is with great honour that the South African Sport Anglers and Casting Confederation can act as the host for the 4th Sport Fishing World Games in South Africa.
2. Over the history of the Sport Fishing World Games it has always been a very important activity on the CIPS calendar. The fishermen always enjoy the games very much because of all the different World Championships which takes place simultaneously in one country.
3. For the South Africa fishing community, these games will be the most important fishing activity in the history of the country. The fishermen from South Africa cannot wait to welcome all the fishermen and treat them with South African hospitality.

## BROAD OVERVIEW OF THE WORLD GAMES

4. The hosting of the Sport Fishing World Games will be hosted over the period 11th to 17th February 2019.
5. South Africa is a very large country and the program for the hosting will be as follow:
  - a. *Arrival.* All the fishermen and guests will arrive in Johannesburg, Oliver Tambo International Airport from the 8th & 9th of February 2019.
  - b. *Opening Ceremony.* All the officials, guests, dignitaries and fishermen will attend the opening Ceremony in Johannesburg on 9th February 2019 in the afternoon.
  - c. *Departure.* The teams will depart to their different participation cities by road or connection air flight on 10th February 2019.
  - d. *Participation/Practice.* The participation or official practice days will commence as from 11th February 2019.
  - e. *Closing Ceremonies.* The Closing Ceremonies will be hosted in the town/city where the participation took place as from 15th or 16th of February 2019. This will depend on the program of the specific Championship.
  - f. *Departure.* The departure of the teams will commence as from 16th & 17th of February 2019.

# DETAILED PROGRAMS

9. The detailed programs will be developed and after approval by FIPS Ed, FIPS Mer and FISP Mouch, it will be made available during the CIPS Congress of 2018.

## PRACTICE SESSIONS/COMPETITIONS

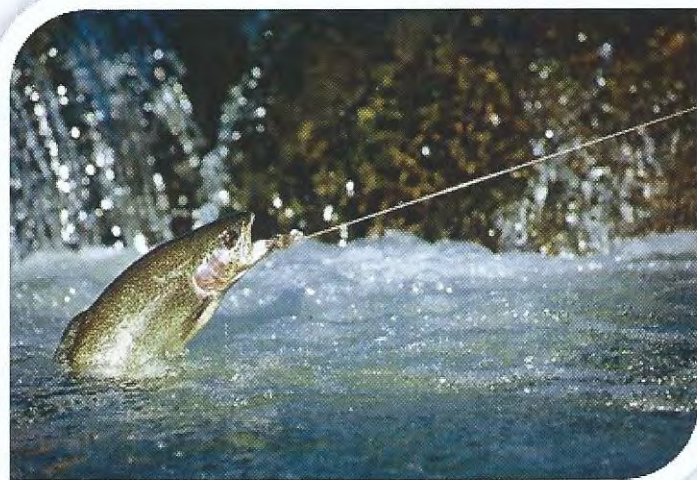

10. All the teams for the participating countries are welcome to visit South Africa during 2018 to do private practise sessions or if requested, practise competitions can be arranged.
11. Each of the requests will be dealt with as it is received from the countries.

## PROMOTION & COMMUNICATION

12. As from 2018 we will establish a Sport Fishing World Games Webpage which will contain all the detail and news of the Games.
13. A Facebook page will available from 2018 to provide news on the Sport Fishing World Games.
14. The planning is to have an online scoreboard for most of the different Championships which will be constantly updated.

## CLOSURE

15. It will be for South Africa as a country a privilege to host all your National Teams, for the Sport Fishing World Games.
16. All the countries are welcome to enjoy our lovely & friendly country.
